
Time compensation

How it helps you

You can use extended time for a special study activity (e.g., a written exam, test, or oral exam).

Who it is for

For all registered students based on a functional diagnosis assessment.

How far in advance to apply

If you wish to make use of this modification, please request it well in advance – we recommend at least 14 days beforehand.

Who to contact

This service will be arranged for you by the contact person at the faculty in cooperation with the relevant teachers.

If you have any questions or are interested in counseling, please contact:

Carolina Centre: centrumcarolina@cuni.cz .
