# Financial support

---

If you are experiencing financial difficulties, you can take advantage of support offered by Charles University. The conditions for receiving support vary, and it's worth reviewing them — you might find that you're eligible for more than you thought.

## Mentoring

For applicants and especially first-year students, we offer a mentoring service. A student from a higher year will provide you with individual support to help you navigate the academic environment.

## Socioeconomic Counseling

If you are in a difficult situation, need advice on scholarships, tuition fees, or are a student parent, you can use our socioeconomic counseling service.

***If you're interested in a consultation regarding socioeconomic support, please contact:***

**Zuzana Hlucháňová-Horká**

## Scholarships

In complicated financial situations, you may be able to get higher accommodation scholarships or even social scholarships. Students with strong academic performance may also qualify for merit scholarships.

## Loan of technical aids

This service is intended for students with specific needs or in an unfavourable socio-economic situation (e.g. those receiving social or increased accommodation scholarships).
