Centre for the Care for the Soul

On February 1, 2023, the Centre for the Care for the Soul of Charles University was established. In this way, we want to supplement the services offered so far with broadly conceived spiritual care. The center is non-denominational and inter-religious.

What we offer?

- We are dedicated to spiritual accompaniment, counseling and therapy of people from secular and different religious areas.
- We organize interactive courses, public lectures, discussions and workshops, stops with meditation. We offer conversations on spiritual searching, problems and questions concerning spirituality.
- We connect care for spiritual life, resilience, value orientation and interpersonal relationships.
- We create a low-threshold space for people from different backgrounds and fields, cultures and religions.
- We support the meeting of Czech and foreign academic communities.

Spiritual Direction

I am a lecturer in theology at the university. I have been involved in spiritual conversations with people for something like 40 years, in different places and formats. Originally from the United Kingdom, I have lived in the Czech Republic for over 20 years. Prior to that I lived also in Brazil.

I will be available if you want to talk about anything "spiritual", your life, where it is going, how to make it meaningful for you and for others, what its ultimate goal is.

Direção espiritual

Sou professor de teologia na universidade. Já faz mais ou menos 40 anos que venho tendo conversas espirituais em modos diversos. Nasci no Reino Unido, moro mais de 20 anos na República Checa. Antes disso estudei em Belo Horizonte, Brasil.

Estou ? disposto?o se voc? quer falar sobre a sua vida "espiritual", quer dizer, sobre a sua vida, para onde vai, o que pode dar sentido para voc? e outras pessoas, onde voc? encontra o fim da sua vida.
