Overview of accessibility

Description of the building

Building B, which is directlyadjacent to the main building A, houses the student affairs office, the Department of Medical Psychology, and the Department of Specialized Education with a small lecture room.

Entrance

Access to building B is viathe parking area at building A. The garden adjacent to the building is fencedwith a gate (width 65 cm). The connecting road has a surface of smoothinterlocking tiles.

The main entrance to thebuilding has no barrier-free access. The double door (main panel width 58 cm, sidepanel width 63 cm) with 1 step up (height 14 cm) opens mechanically inwards. Adoorbell is not available. There is a stairway in the vestibule (6 steps up) tothe 1st above-ground floor.

Interior

The floors of the building areconnected only by a multi-level staircase. The door to the small lecture roomon the 1st floor is single-panel (width 108 cm) with a doorbell(height 137 cm).

The student affairs office(door width 106 cm; threshold height 2 cm; doorbell height 155 cm) and theDepartment of Medical Psychology (door width 106 cm; threshold height 3 cm; doorbellheight 135 cm) are located on the 2nd aboveground floor.

The doors of study rooms and seminar rooms are single-panel (minimum width 80 cm) with thresholds (height 2 to 3 cm). The manoeuvring space in the interior is sufficient.

Lift

There is no lift in the building.

Sanitary facilities

There are only standard sanitary facilities in the building.

Parking

There are spacious parkingspaces in front of the adjacent building A with one reserved parking space.
