# Loan of study aids

---

During the course of their study students with special needs can use the option of **borrowing study aids**.

This service is offered by the **Carolina Centre** and is intended for all students registered at their home faculties in the “Student” information system as students with special needs.

The basic loan period is six months with the option of an extension of further **six months** if no other applicants for borrowing the study aid are in the queue.

All the particulars of the loan are regulated by the loans rules and the equipment loan agreement [loan agreement](#)

The aids currently available include **notebooks, dictaphones, readers, pocket magnifying glass, noise cancelling headphones, special PC keyboard and mouse.**

If interested in borrowing study aids, please contact Mgr. Jana Vlasáková: [jana.vlasakova@ruk.cuni.cz](mailto:jana.vlasakova@ruk.cuni.cz) , tel.: 224 491 604.
